## **Las Vegas From Home.com Entertainment Reports Fourth Quarter 2004 and First Quarter 2005 Results**

***653% year-over-year Q1 2005 revenue growth and profitable quarter***

**Vancouver, British Columbia, April 28, 2005 – Las Vegas From Home.com Entertainment Inc.** (the “Company”) or (“LVFH”) today announced results from operations for its fourth quarter of Fiscal 2004 ended December 31, 2004, and first quarter of Fiscal 2005 ended March 31, 2005.

### **Q1 Fiscal 2005 Financial Results**

First quarter revenues were \$2,084,056 as compared with revenues of \$276,676 in the same period a year ago, growth of 653% year-over-year and 94% versus the fourth quarter of Fiscal 2004. Revenues grew as a result of increased usage of the Company’s Gaming Software. The Company had net income for the quarter of \$364,329 as compared to a net loss in the first quarter of Fiscal 2004 of \$464,934.

“We’re very pleased with the growth in our business and our client base in the first quarter of Fiscal 2005. This demonstrates our growing momentum compared with Fiscal 2004”, stated Jake Kalpakian, President and CEO of LVFH.

### **Q4 Fiscal 2004 Financial Results**

Fourth quarter revenues were \$1,073,463 compared with revenues of \$268,887 in the same period a year ago, growth of 299% year over year. Revenues grew as a result of increased usage of the Company’s Gaming Software. Net loss for the quarter was \$3,461,006 as compared to a net gain of \$178,640 in the fourth quarter of fiscal 2003. However, these results were affected by the following one-time expense items: Net revenue sharing buyback of \$1,048,021; settlement of lawsuit of \$240,400; and also the accounting treatment of stock options granted in 2004 of \$2,323,004. Had the Company not recognized the granting of stock options as compensation expense, then the Company’s operating results would have shown as an operating profit of \$146,491.

### **Outlook**

Industry indications are strong that the growth trend in the internet gaming sector, in particular for poker and other multiplayer games, shall continue to enjoy high growth.

The Company has commenced an aggressive marketing campaign which has started to produce positive results. Management is of the opinion that the recently announced “Bought deal” financing will help further its growth strategy at a much quicker rate through an even more ambitious, but carefully planned, marketing campaign and/or potential acquisitions.

The Company is experiencing strong interest by online Sports books and Casinos to license its software. Management believes this is a direct result of the growing "critical mass" within the Action Poker Network.
