ACTION POKER GAMING INC. LICENSES ITS ONLINE POKER SOFTWARE TO PINNACLE SPORTS WORLDWIDE

One of World's Leading Internet Wagering Sites Signs with Action Poker Gaming Inc.

Vancouver, British Columbia, September 5, 2006 – Las Vegas From Home.com Entertainment Inc. (the “Company”) or (“LVFH”) is pleased to announce that its wholly owned subsidiary, Action Poker Gaming Inc. (“APG”) has licensed its poker software to Pinnacle Sports Worldwide (“Pinnacle”).

Regarded as perhaps the largest sports wagering site, Pinnacle has entered into an agreement with APG to license their proprietary “stand alone” poker software for PinnaclePoker.com. APG’s “stand alone” poker model grants large operators complete control over their own dedicated poker network.

“Finding a tailored poker solution that was established yet adaptable to our strategy was a critical factor in selecting a software provider,” said Simon Noble of Pinnacle. “After researching the current offerings, it was clear that APG provided the perfect complement for our requirements. We are extremely excited to launch our poker platform and enter the online gaming sector’s fastest growing market.”

The agreement will enable Pinnacle to offer its rapidly growing worldwide customer base an extensive selection of poker games and tournament play on PinnaclePoker.com with a projected launch in the fourth quarter of 2006.

Jake H. Kalpakian, President and CEO of Las Vegas states, “We are very pleased to be welcoming Pinnacle, a recognized industry leader. Partnerships like this continue to identify the Company as a leading provider of poker software as our targeted solutions are continuing to gain significant recognition from the industry’s leading companies.”
