The Problem We Solve

The Poker Problem

- Traditional poker is expensive, labor-intensive, and low-margin
- Escalating dealer salaries and staffing headaches
- Retaining talented dealers is often time-consuming and difficult
- Slow gameplay can limit revenues and profit
- Many poker rooms have closed or have limited hours
- Casinos have demand but prohibitive economics

The Solution

- Jackpot Blitz® increases poker revenues, decreases costs, and creates a stunning player experience
- Jackpot Blitz® enables casinos offer poker with viable economics

Existing market:

- The traditional poker player

Underserved market:

- The traditional poker player
- The younger tech savvy player
- The online player
- The casual player
- The beginner
- The tournament only player
- The exotic poker games player

Solution: Jackpot Blitz®

Card room operators won't leave dollars on the table. They can serve the entire poker market without any additional operational costs or HR expenses.

Jackpot Blitz®: Benefits of “The Friendly Table”

Operator:

- Faster gameplay
- Higher revenue
- Lower costs
- Minimize management and HR headaches
- Minimize risk of money laundering, tampering, theft
- Run tournaments 24/7

Player:

- "The Friendly Table"
- No conflict from dealer mistakes
- More exciting and engaging player experience
- More hands per hour
- No tipping the dealer
- Earn player rewards for game play
- Ideal for pot limit & exotic games
