Jackpot Digital

A positive disruptor in the casino business, Jackpot Digital is a leading manufacturer of dealerless multiplayer electronic poker tables for the cruise ship and land-based regulated casino industries.

Flagship Product

Our flagship product, Jackpot Blitz®, brings the social benefits of multiplayer poker into the digital era. The 75-inch, 4k touchscreen creates a stunning player experience, controls costs, and improves the bottom line for casinos.

Jackpot Blitz® has become known as “The Friendly Table” by eliminating common sources of conflict such as dealer mistakes, and also eliminates tipping the dealer.

Growth Drivers

JACKPOT!

digital

Expansion into regulated land-based casinos

- Initially a cruise-ship-only product, Jackpot Blitz® is now attracting significant demand from land-based casinos, because it solves the problem of wage inflation and labor shortages, and allows casinos to operate more profitably

Cruise Ship Clients

- Jackpot enjoys a virtual monopoly in electronic dealerless poker in cruise ship casinos, including partnerships with some of the largest and most recognized brands like Carnival, Princess, and coming soon to Royal Caribbean

Launch of New Games

- Casinos looking to grow their ETG footprint with new, innovative content
- Jackpot Digital builds specialized, popular regional games
- Explosive growth opportunities in North America, Asia and worldwide

Growth Drivers: Land Based Casino Expansion

JACKPOT!
digital

The next generation of Jackpot Blitz® accepts direct cash payments and connects directly to casinos' back end management systems. These components are key requirements for mass adoption by land based casinos.
