## **ACTION POKER GAMING INC. LICENSES ITS ONLINE POKER SOFTWARE TO LEGENDZ GAMING CORPORATION**

### **Leading Gaming Operator Signs with Action Poker Gaming Inc.**

**Vancouver, British Columbia, August 28, 2006 – Las Vegas From Home.com Entertainment Inc.** (the “Company”) or (“LVFH”) is pleased to announce that it’s wholly owned subsidiary, Action Poker Gaming Inc., (“APG”) has licensed its poker software to Legendz Gaming Corporation, (“Legendz”) a recognized leading gaming operator.

The Professional Internet Gaming Company (ThePig.com), which is owned and operated by Legendz will launch their own private “stand alone” poker network developed by APG. The “stand alone” software model allows for larger gaming operators to manage and maintain complete control of their own dedicated poker network.

By licensing APG’s software, Legendz will be able to capitalize on the benefits of owning its own poker network.

“By licensing our software to a market leader such as Legendz, it further confirms that the Company’s software is preferred as a leading online multi-player poker solution,” states Jake Kalpakian, President and CEO of LVFH. “Furthermore, we expect to announce similar deals with other leading brands that are currently under development.”

Through the agreement, APG will provide Legendz a complete solution of classic poker software games that include Texas Hold’em, Omaha and 7 Card Stud, as well as tournament functionality. The projected launch of the Legendz poker network is scheduled for early September 2006.
