***LVFH Launches Mobile Client for Android***

**VANCOUVER, BRITISH COLUMBIA. October 15<sup>th</sup>, 2012 — Las Vegas From Home.com Entertainment Inc.** (the “Company” or “LVFH”) (TSX-V: LVH) (US OTC Pink: LVFHF) (Berlin: LVH) (Frankfurt: LVH). The Company is pleased to announce the release of its popular social casino game, Real Vegas Casino, on the Android platform. The game can be found on the Google Play store: <https://play.google.com/store/apps/details?id=air.com.lvfh.realvegas>

The launch highlights LVFH’s continued commitment to enhance its mobile offerings. Real Vegas Casino for Android features an intuitive design to allow for easy touch navigation, multilingual interface, and a comprehensive suite of interactive casino & sports wagering games including Texas Hold’em, Blackjack, Slots and Sportsbook. Users can now play Real Vegas Casino from their Android powered smartphones and tablets anywhere with internet connection.

Android is a leading platform for mobile phones and tablets around the globe. According to Google, there were 500 million Android powered devices activated as of Q3 2012 and over 1.3 million new devices activated every day.

Additionally, the Company’s iOS version of the game is in its final stage of development and will be released on the Apple App Store for iPhone and iPad in the near future.

President and CEO Jake Kalpakian states: “Real Vegas Casino mobile is a tremendous opportunity and great channel for us to reach more customers. We believe this launch is a big step towards generating a new revenue stream for the Company from the fast growing mobile gaming market and more importantly, it positions the Company’s software to be more attractive to potential partners.”
