NEWS RELEASE

Jackpot Blitz™ Shortlisted for 2017 Global Gaming Award

VANCOUVER, BRITISH COLUMBIA. August 10, 2017 – **Jackpot Digital Inc.** (the “Company” or “Jackpot”) (TSX-V: JP) (TSX-V: JP.WT) (US OTCQB: JPOTF) (Frankfurt & Berlin Exchanges: LVH). Jackpot is pleased to announce that it has been informed by the Global Gaming Awards that the Company has been shortlisted for the 2017 Global Gaming Award in the Land-Based Gaming Innovation category. The award nomination recognizes the Company’s new ETG product **Jackpot Blitz™** and its pioneering approach to electronic table gaming. Jackpot is one of ten companies shortlisted for the 2017 Global Gaming Award in the Land-Based Gaming Innovation category.

The Global Gaming Awards (<http://www.globalgamingawards.com>) include 12 categories spanning the land-based and digital industries, are powered by leading B2B-gaming publication Gambling Insider in association with G2E, and are independently audited by KPMG Gibraltar. Now in their fourth year, the awards have quickly become the most trusted in the industry and a must-attend event that kicks-off G2E Las Vegas each year. The shortlisted nominees were selected by 11 gaming industry experts and the award winners will be selected by a panel of 60 independent judges who are leading gaming executives. The judges will decide on the winners in each category from the shortlist and the award winners will be announced at the 2017 Global Gaming Awards on October 2nd, 2017 at the Venetian in Las Vegas, Nevada.

The Land-Based Gaming Innovation category recognizes innovation as a key factor in the long-term sustainability and success of the land-based sector, with leading casinos able to offer both new and existing customers something original and exciting. The award category recognizes companies that are striving to improve players' gaming experience through new products or significant enhancements to existing products.

Jackpot Blitz™ is the Company’s proprietary next generation gaming platform, offering an incomparable player experience to go with unrivalled operator efficiency, flexibility, and profitability. Jackpot Blitz™ represents a significant leap from Jackpot’s industry-leading PokerPro ETG system, which is currently in operation with cruise lines, poker rooms, and casinos. Jackpot Blitz™ is expected to increase ETG revenues for Jackpot and its clients.
