## **JACKPOT TO PURSUE OPPORTUNITIES IN TEXAS**

Vancouver, British Columbia – June 24, 2021 – Jackpot Digital Inc. (the “Company” or “Jackpot”) (TSX-V: JJ) (TSX-V: JJ.WT.A) (TSX-V: JJ.WT.B) (TSX-V: JJ.WT.C)(US OTCQB: JPOTF) (Frankfurt & Berlin Exchanges: LVH3) is pleased to announce the Company has engaged counsel to pursue business opportunities in the State of Texas, including the possibility of operating card rooms in addition to the Company’s current business of licensing tables to third parties.

Beginning in 2015, the Texas poker market opened in the form of membership-based card rooms. The market has since grown to 38 cards rooms and over 500 poker tables are currently in operation (source: <https://www.pokeratlas.com/poker-rooms/texas>), with membership poker clubs in existence throughout the State of Texas, USA.

As a prospective card room operator, the Company’s Jackpot Blitz™ electronic table game provides a clear competitive advantage due to its innovative, positive disruptor, dealer-less technology. Jackpot’s poker clubs will have the ability to offer non-stop poker tournaments with no dealer costs and faster, error-free gameplay, in comparison to the competition.

President & CEO Mr. Jake Kalpakian states, “With casinos and card rooms now re-opening, Jackpot will be able to pursue opportunities that have been in our pipeline for over a year, such as Texas and other similar markets abroad.”

“Our dealer-less poker tables do not simply replicate the player experience, they enhance it. A better player experience combined with zero dealer costs means we have a distinct competitive advantage as we enter new markets”, Kalpakian states.
