

JACKPOT DIGITAL ANNOUNCES NON-BROKERED PRIVATE PLACEMENT TO BUILD MORE BLITZ™ ELECTRONIC TABLES

Vancouver, British Columbia – December 21, 2021 – Jackpot Digital Inc. (the “Company” or “Jackpot”) (TSX-V: JJ) (TSX-V: JJ.WT.A) (TSX-V: JJ.WT.B) (TSX-V: JJ.WT.C) (US OTCQB: JPOTF) (Frankfurt & Berlin Exchanges: LVH3). The Company announces it is conducting a non-brokered private placement to raise up to \$975,000 (the or this “Financing”) through the issuance of up to 6,500,000 units of the Company at the price of \$0.15 per unit. Each unit shall consist of one common share and one common share purchase warrant (a “Warrant”). Each Warrant shall entitle the holder to acquire one common share of the Company at the price of \$0.25 per common share for a period of three years. The warrants shall contain an acceleration provision, which may be triggered, once the Company’s shares have traded at a price of \$0.50 per common share for 15 (fifteen) consecutive trading days. Finder’s fee may be payable in respect to the Financing in accordance with the policies of the TSX Venture Exchange (the “Exchange”). The financing remains subject to the satisfaction of customary closing conditions, including receipt of Exchange approval.

As part of the Financing an officer of the Company (the "Insider") has arranged to sell, from the Insider’s personal holdings, up to 3,000,000 common shares of the Company at market price through the facilities of the Exchange (the "Swap"). The Insider intends to use 100% of the proceeds from the Swap to participate in the Financing.

The funds from this Financing will be utilized towards the purchase of materials for the production of the Company’s Jackpot Blitz™ electronic tables (“ETGs”), regulatory licensing fees for new jurisdictions, a market awareness campaign and for general working capital.

Jackpot President & CEO, Jake Kalpakian states, “our sales pipeline is robust, and we anticipate an increased volume of new orders in early 2022. In addition to other table components, a portion of the proceeds from the Financing will go towards computer boards for up to 50 new tables, to increase inventory and avoid possible delays due to recent supply chain disruptions.”

The securities that may be issued in connection with this Financing shall include a four-month and a day hold period in accordance with applicable securities laws.

The Company also wishes to announce it intends to engage Brian Gusko Advisory Services Inc. to provide market awareness for a period of four months (the “Agreement”), subject to the approval of the Exchange. Brian Gusko Advisory Services Inc., is an arm’s length service provider, headed by Brian Gusko, an MBA with 15 years of corporate finance and public company experience and strong relationships with brokers in Canada and European institutional investors that focuses on marketing communications in Canada and in Germany. The services include coordination of strategic introductions to brokers and investment bankers and the development of a social media-focused marketing campaign. Consideration for the services to be provided during the four-month term is \$190,000, in addition to, €125,000 for a European investor
