

JACKPOT DIGITAL SIGNS 2-TABLE CONTRACT WITH WIN-RIVER RESORT & CASINO IN CALIFORNIA

Vancouver, British Columbia – May 11th , 2022 – Jackpot Digital Inc. (the “Company” or “Jackpot”) (TSXV: JJ) (TSX-V: JJ.WT.B) (TSX-V: JJ.WT.C) (US OTCQB: JPOTF) (Frankfurt Exchange: LVH3) is pleased to announce that it has signed a licensing agreement with Win-River Resort & Casino, located in Redding, California to install two (2) Jackpot Blitz™ Electronic Table Games (“ETG”). The licensing agreement is subject to obtaining the customary tribal regulatory approval. Jackpot currently holds all other required state and federal registrations.

President & CEO Mr. Jake Kalpakian states, “We are delighted to be working with Redding, California’s Win-River Resort & Casino, which is yet another new casino added to our growing list of California customers. Our footprint continues to expand in the large California market and elsewhere, and we expect order flow to grow through 2022 and beyond.”

Mr. Kalpakian continues, “Casinos who previously opted for live dealers are now choosing Jackpot Blitz™, which allows operators to offer an engaging and social poker experience with faster gameplay and more action. Moreover, Jackpot Blitz™ addresses the staffing challenges of hiring and retaining experienced dealers, an issue that has become exacerbated by an increasingly tight casino industry labor marketplace. The demand we are seeing and the problems we solve tell us that now, more than ever, Jackpot Blitz™ is a product whose time has come.”

Win-River Resort & Casino’s Manager, Brandon Hayward, comments, “We are very excited to bring Jackpot Blitz to Win-River Resort and Casino! It is exciting to us to be able to push forward a modern and new version of how poker is played. We can’t wait to see how our guests enjoy the most advanced poker table available.”
