Jackpot Digital, the leading manufacturer of dealerless multiplayer electronic poker tables, is pleased to invite investors to a webinar on Wednesday, December 3, 2025, at 4:15 p.m. Eastern Time. The exclusive event, hosted by RedChip Companies, will feature Jackpot's President and CEO, Jake Kalpakian.

Supported by a scalable recurring revenue model, new regulatory approvals, and a strong pipeline of new business, Jackpot is uniquely positioned to capture market share in the electronic table game market projected to reach US\$3.42 billion by 2031 ([SOURCE](#)).

A live question and answer session will follow the presentation.
