

## **JACKPOT DIGITAL RECEIVES REPEAT ORDER FROM MICHIGAN CASINO**

**Vancouver, British Columbia – January 24, 2025 – Jackpot Digital Inc.** (the “Company” or “Jackpot Digital”) (TSX-V: JJ) (TSX-V: JJ.WT.C) (U.S. OTCQB: JPOTF) (Frankfurt Stock Exchange: LVH3), a leading provider of dealerless electronic poker tables to the global gaming industry, is pleased to announce that Northern Waters Casino Resort (“Northern Waters”) has placed an order for two (2) additional Jackpot Blitz® electronic table games (“ETGs”), bringing its total to four (4) machines. This new order builds on the casino’s initial installation of two (2) Jackpot Blitz® machines, and represents an exciting step forward in the ongoing partnership between Jackpot Digital and Northern Waters.

Northern Waters Casino Resort, located in Watersmeet, Michigan, previously integrated Jackpot Blitz® into its gaming floor, and the response has been highly favourable from both players and casino management. The addition of two (2) units is expected to further strengthen the casino's poker offering and establish Northern Waters as a leading poker destination in Northern Michigan.

"We are thrilled to see this repeat order from Northern Waters, doubling their poker offering from two to four tables", said Jake Kalpakian, CEO of Jackpot Digital. "This repeat order reflects the growing demand for our innovative poker ETGs, and we are eager to support Northern Waters in elevating its gaming floor with a digital poker room that can handle larger volume and provide players with an engaging poker experience."

Jackpot Blitz® is a cutting-edge dealerless electronic poker ETG designed to provide players with a fast-paced, interactive gaming experience. The machine blends the excitement of poker with advanced technology to create a seamless and immersive player experience.

“We are excited to expand our offering with two more Jackpot Blitz® machines,” said John McGeshick, General Manager at Northern Waters Casino. “The players love the game, and it has proven to be a popular choice. So we are looking forward to growing our success with these additional units.”

The installation of these machines is part of Jackpot Digital's continued efforts to expand its footprint in the land-based casino gaming industry, with a focus on enhancing the customer experience through innovative and engaging poker ETGs. The Company is committed to driving growth by meeting the evolving needs of casino operators and players alike.

In addition to Jackpot’s cruise ship customers, which include Carnival Cruises, Princess Cruises, Holland America, AIDA, and Costa Cruises, Jackpot has announced land-based installations or orders in Canada and the United States, including California, Louisiana, Michigan, Minnesota, Mississippi, Montana, New Mexico, Oregon, Saskatchewan, U.S. Virgin Islands, Washington, as well as several international jurisdictions.
