

JACKPOT DIGITAL LAUNCHES TWO JACKPOT BLITZ® ETGS AT INN OF THE MOUNTAIN GODS RESORT & CASINO

Vancouver, British Columbia - August 25, 2026 - Jackpot Digital Inc. (TSXV: JJ) (OTCQB: JPOTF) (Frankfurt Stock Exchange: LVH3) (the "Company" or "Jackpot Digital"), the world's leading provider of innovative dealerless electronic poker gaming tables, is pleased to announce the successful installation of two Jackpot Blitz® dealerless poker electronic table games ("ETGs") at Inn of the Mountain Gods Resort & Casino ("Inn of the Mountain Gods"), a Mescalero Apache Tribe-owned property located in Mescalero, New Mexico.

Jackpot Blitz® is an advanced, fully automated casino poker table that replaces the need for traditional live dealers, delivering faster gameplay, operational efficiency, and an engaging experience for players. The deployment at Inn of the Mountain Gods further expands Jackpot Digital's presence in the U.S. tribal gaming market and demonstrates the Company's ability to help operators respond to player demand beyond the limitations of traditional live-dealer operations.

"We are excited to partner with the Inn of the Mountain Gods," said Jake Kalpakian, President and CEO of Jackpot Digital. "The installation of our ETGs at the Inn of the Mountain Gods showcases the flexibility and appeal of our dealerless poker technology, and we look forward to offering their guests with a superior poker experience."

The Inn of the Mountain Gods installation adds to Jackpot Digital's growing list of land-based deployments across U.S. tribal and commercial casinos, as well as its established presence in the international cruise ship market.
