

## JACKPOT DIGITAL SIGNS 3-TABLE AGREEMENT WITH HOLLYWOOD CASINO AT GREEKTOWN, DETROIT, MICHIGAN

Vancouver, British Columbia – March 26, 2026 – Jackpot Digital Inc. (TSXV: JJ) (U.S. OTCQB: JPOTF) (Frankfurt Stock Exchange: LVH3) (the “Company” or “Jackpot Digital”), the world’s leading manufacturer of dealerless multiplayer electronic poker tables, is pleased to announce it has signed an agreement with Hollywood Casino at Greektown in Detroit, Michigan to install three (3) of the Company’s Jackpot Blitz® dealerless poker electronic table games (“ETGs”).

The installation follows Jackpot's recent supplier gaming license approval from the Michigan Gaming Control Board to launch the Company’s ETGs with commercial casinos across the State of Michigan. Table deployment is expected in the second quarter of 2026.

Each newly installed table represents additional monthly recurring revenue for the Company.

"We are thrilled to bring Jackpot Blitz® to Hollywood Casino at Greektown, one of Detroit's premier gaming destinations," said Jake Kalpakian, President and CEO of Jackpot Digital. "This agreement marks an important milestone as we enter Michigan's dynamic commercial casino market. Players at Greektown will now have access to the cutting-edge, dealerless poker experience that Jackpot Blitz® ETGs delivers."

Hollywood Casino at Greektown is located in Detroit's historic Greektown district and features over 100,000 square feet of gaming space, and a 30-story hotel tower.

Jackpot Blitz® features a 75” touchscreen, intuitive interface, and sophisticated back-end software, enabling casinos to operate cash games and tournaments 24/7. The platform supports multiple table games, offers real-time reporting and game management, and is designed to increase hands per hour while reducing operational costs.
